Wear Your ID Badge

Whenever you're in a Medical Center building

Hospital Rules

- Security ID Badges are to be worn conspicuously displayed at all times while in the Medical System Buildings. Wear the badge on the upper part of your body where others can easily see it.
- Unauthorized use of Medical Center ID Security Badges may result in disciplinary action or revocation of the badge.
- The Security ID Badge may not be loaned, transferred, or used by anybody other than the person who is pictured and named on the badge.
- You are responsible for replacing your badge if it is missing or damaged.
- The replacement cost for a badge is \$10.
- A new badge may be obtained without charge after two years if all prior badges have been returned or resolved.
- Security ID Badges are the property of the University of Maryland Medical Center and must be surrendered to the Medical Center upon termination, end of contract, or when requested by Medical Center management.

State Law

Annotated Code of Maryland - Health-General

§ 19-308.4. Personal identification tags for employees and certain others.

(a) Personal identification tag required. - Each hospital or nursing facility in the State shall ensure that its employees and any other individuals who provide a health care service within or on the premises of the hospital or nursing facility wear a personal identification tag, except where inappropriate for medical reasons, that indicates in readable text:

- (1) The name of the individual: and
- (2) The professional or other title of the individual.

(b) Fines. - The Secretary [of State] may impose a fine not to exceed \$25 per violation of this section. (1998, ch. 127)
